*Direct deposit is:*

- **SIMPLE** – Your money is electronically deposited right into your CCU account without you having to make a trip to the Credit Union.
- **SMART** – You can choose to have your money deposited into multiple accounts, which makes it easy to automate your savings plan.
- **SAFE** – Removing the need for a paper check eliminates the chances of having it lost or stolen.

Enrolling in direct deposit is easy. Speak with your human resources department for more information.
