## Make It a Great Summer

You couldn't wait for school to end and summer vacation to begin, but now that it's here, you're finding that you don't always have enough things to do to fill the long summer days. Well, that's okay because we've got plenty of cool ideas for these hot summer days!

- ★ Plant a garden and grow your own fruits, veggies or flowers.
- ★ Host a pool or sprinkler party.
- ★ Sign up for a 5K race or walk for charity.
- ★ Go on a nature walk and journal your findings.
- ★ Help your parents by mowing the lawn, folding laundry or doing dishes.
- ★ Use fabric markers or a tie dye kit to color some t-shirts.
- ★ Challenge yourself to read a new book (or two!) every week.

### A SWEET SUMMER TREAT

## Root Beer Float-sides

### INGREDIENTS:

- 18 3-ounce paper cups
- 1 gallon vanilla ice cream
- Root beer, orange soda, or other soda of choice
- 18 popsicle sticks

### INSTRUCTIONS:

- With scissors, make a small snip down the side of each paper cup (this will make it easier to peel the cup off the popsicle once frozen)
- Fill bottom 1/3 of each cup with ice cream. Then pour soda over ice cream until each cup is 2/3 full.
- Place cups on tray and freeze for two hours or until soda is nearly frozen.
- Top each cup off with another layer of ice cream and insert popsicle sticks into center of each cup.
- Freeze until completely frozen.
- Peel paper cup off and enjoy!
